

Year 8 Assessment 1

Students in Year 8 will sit a non calculator assessment. The paper will contain some content that has been taught in year 7. The papers will contain a mixture of A01 (recall of facts), A02 (interpreting and communicating) and A03 (problem solving). The topics that will be assessed are:

- Negative numbers
- Nth terms
- Product of prime factors
- Finding the HCF and LCM of numbers
- Square numbers and cube numbers
- The 4 operations with fractions including mixed numbers
- Solving equations
- Substitution in to expressions in algebra
- Nth terms and sequences
- Area and perimeter
- Angles in triangles and quadrilaterals
- Drawing accurately with a protractor, ruler and pencil
- Working with decimals.

Students can use www.mymaths.co.uk to help with revision.
